Sorry for the late update, but here it is YNSH 04. Hope everyone's been enjoying this one. And if you haven't checked it out yet, it's at least worth watching the first episode. Yes, the guys look like something out of a more female-audienced anime, but they don't act like they look. And if you think about it it's really a bit of humorous irony. (They're coloser to being "beautiful girls" than Sunako is).

But anyway, hope you all have been enjoying the forums too. We're nearing 400 members now so if you haven't registered....well you just should.
