

YNSH 08 + Busou 08 + BBB 12 (Final) + Kiba 33&34

Contributed by Warlock6669
Saturday, 02 December 2006

Okay, so I'm a day late with the new files. However, here's the latest stuff from Kyuu, except for Kiba 35 (because I can't seem to find where I put it). But this is still 5 new episodes so it should keep you all happy for at least a little while.

Anyway, it's all in the Download Section as usual.
