Okay, so I know I said that I'd have the surprise up the next day, but as I've said I still don't have an internet connection and this is what happens when the wifi you're borrowing disappears for a few days.

But, anyway, on with the surprise!

The final two episodes of Yamato Nadeshiko Shichi Henge! This will be a special and will only be up for a few weeks before I remove it. This is just for those of you who have stuck by this site and don't want to have to go search out a torrent or other DDL site for it.

CRCs:

YNSH 24: [BC1A5299]

YNSH 25: [B15F7B81]

Edit: Okay, it's been two weeks now, so YNSH is now leaving the DDL. To those of you who were able to get it, I hope you enjoyed the end of the show. And to those of you who didn't get it, there should still be a torrent somewhere.
